

# EASY ROLL

Installazione delle Tende da esterno verticali

Avvisi di sicurezza generali  
Contenuto confezione  
Montaggio a parete  
Montaggio a soffitto

## AVVERTIMENTO

Diversi bambini nella prima infanzia sono rimasti strangolati da cappi formati da cordicelle, catene e nastri, e corde che azionano il prodotto.

**Per impedire che i bambini rimangano strangolati e impigliati, tenere le corde fuori dalla portata dei bambini nella prima infanzia. Le corde potrebbero arrotolarsi attorno al collo del bambino.**

Allontanare i letti, le culle e l'arredamento dalle corde che azionano le coperture per finestre.

Non legare assieme più corde. Assicurarsi che le corde non si avvettino creando un cappio.

## ACHTUNG

Durch Schlingen in Zugschnüren, Ketten und Bändern sowie Bedienschnüren des Produkts wurden Kleinkinder erdrosselt.

**Zur Vermeidung von Strangulation und Verwicklung sind die Schnüre außer Reichweite von Kindern zu halten. Schnüre können sich um den Hals eines Kindes wickeln.**

Stellen Sie Betten, Kinderbetten und Möbel entfernt von den Schnüren für Fensterabdeckungen auf.

Binden Sie die Schnüre nicht zusammen. Stellen Sie sicher, dass die Schnüre sich nicht verwickeln und eine Schlinge bilden.

## WARNING

Young children have been strangled by loops in pull-cords, chains and tapes, and cords that operate the product.

**To avoid strangulation and entanglement, keep cords out of the reach of young children. Cords may become wrapped around a child's neck.**

Move beds, cots and furniture away from window covering cords.

Do not tie cords together. Make sure cords do not twist and create a loop.

## AVERTISSEMENT

Des enfants en bas âge ont été étranglés par des boucles formées sur les cordons à tirer, chaînettes ou rubans utilisés pour actionner le produit.

**Pour prévenir tout risque d'étranglement ou d'enchevêtrement, veiller à maintenir les cordons hors de portée des enfants en bas âge. Les cordons peuvent s'enrouler autour du cou d'un enfant.**

Ne pas disposer de lit, de berceau ou autre pièce d'ameublement à proximité de revêtements de fenêtres à cordons.

Ne pas attacher les cordons ensemble. Veiller à ce que les cordons ne vrillent pas et ne forment pas de boucle.

## WAARSCHUWING

Jonge kinderen zijn verwurgd als gevolg van lussen in trekkoorden, kettingen en banden en koorden voor het bedienen van het product.

**Houd koorden buiten het bereik van kleine kinderen om verwurging en verstrengeling te voorkomen. De koorden kunnen om de nek van het kind verstrengeld raken.**

Plaats bedden, kinderbedjes en meubilair niet in de buurt van koorden van raambekleding.

Knoop koorden niet aan elkaar vast. Let erop dat koorden niet in elkaar draaien en een lus vormen.

## ADVERTENCIA

Se han producido estrangulaciones de niños con cordones de tiro, cadenas, cintas y cordones de accionamiento de este producto.

**Mantenga los cordones fuera del alcance de los niños para evitar que puedan quedarse atrapados en ellos y estrangularse. Los cordones pueden enrollarse en el cuello de los niños.**

Separe las camas, las cunas y los muebles de los cordones de las cortinas.

No anude los cordones. Asegúrese de que los cordones no se entrecrucen y formen un lazo.
